Long Description

The perfect choice for pubs, cafes, and shops as well as offices and boardrooms. The 430CTS is a medium-sized countertop glass door fridge designed to drive impulse sales. Ideal for displaying soft drinks, energy drinks, or beers, it can accommodate a variety of can and bottle sizes, from 250ml cans to 600ml bottles—thanks to its adjustable shelves that maximise display space. The unit features an internal LED light and offers a choice of either a white or black interior to complement your brand or venue design. The unit is suited for branding on the sides and door glass making is ideal for promotional displays.
